

## A5 all-round Thin Client

High performance Thin Client

- Allround Thin Client
- Dual Display support
- Linux and Windows Embedded Standard
- Citrix, VMware, Microsoft and all other major connectivity supported
- Only 11 Watt maximum power consumption
- Many I/O ports, Internal Power Supply and optional internal DVD
- Athena Desktop Management Suite supported

### Athena Office Thin Clients

Athena office Thin Clients bring beauty, space and silence to your desk. They are designed to free as much desktop space as possible, to match with modern office designs.

Athena offers so much performance and functionality that our customers really can replace all PC's in their offices with Thin Clients. Athena Thin Clients are disk- and fanless and have a very low energy consumption (90% less than an average PC). Therefore they do not only bring you silence and space but also a healthy working environment because they do not pollute the air you breathe. When you choose for Athena Thin Clients on your desk you save in airconditioning because the heat generating and air polluting PC's will be gone. Your desk will be tidy and clean without a fat PC and lots of cables. For the first time your ears will "hear the silence" of a workplace without harddisk and fan.

#### Specifications

CPU	Intel Atom N270 1.7GHz processor
RAM/Storage	1GB DDR2 RAM/ 1GB SSD SLC type/ DVD internal (optional)
DVI-D	1 x
VGA	1 x
PS/2	1 x (2 with optional splitter cable)
Serial	2 x
Parallel	1 x
USB 2.0	5 x (rear 3x, front 2x)
LAN	1 x 10/100/1000 Base-T Fast Ethernet RJ45
WLAN	optional internal 802.11 b/g Wifi
Resolution	up to 2048 x 1536 x 32 bit, 75Hz
Video memory	up to 224MB
Video controller	Intel GMA950
Dual display	VGA + DVI
Audio	output: 1/8-inch mini, full 16-bit stereo Input: 1/8-inch mini, 8-bit microphone
Dimensions/Weight	210mm (L) x 55mm (W) x 243mm (H)/ 0,8 kg
Feet stand	vertical
VESA Bracket	optional
Kensington lock	yes
Power	auto-sensing 100-240V AC, 50/60Hz internal
Power consumption	max 11 Watt fully operational, Idle 3 Watt
Operational Temperature	0°C-40°C
Relative Humidity	20% to 80% non-condensing
Regulatory Compliance	CE/FCC/VCCI
Operating System	Linux NLX8, XPEmbedded, Windows Embedded Standard 7
Management	ADMS (Athena Device Management Suite)
Connectivity	Microsoft vSphere, Citrix XenApp, VMware VMview, Quest, Ulteo, DEC/IBM Text Terminals
