## T3319FTi

Thin Client for industrial use

- TFT 19 inch Thin Client for industrial use
- Dual Display support
- Touch screen
- Linux and Windows Embedded Standard
- Citrix, VMware, Microsoft and all other major connectivity supported
- Only 38 Watt maximum power consumption
- Athena Desktop Management Suite supported

### Athena Industrial Thin Clients

Factories and warehouses are not the right places for a PC. Dust, dirt, oil, heat and rough usage are guarantees for a short PC life. Apart from this the space to install a PC is mostly limited and cabling is very difficult. Athena industrial Thin Clients are all-in-one TFT devices with a touch screen, they have no moving parts and therefore do not collect dust, dirt or oil inside.

Mounting can be on any VESA compliant device or stand. The Athena industrial Computer On Wheels products make mobile working very easy with a battery lifetime of 11 hours.

#### Specifications

Display	LCD 19 inch 4:3
CPU	Intel Atom N270 1.7GHz processor
RAM/Storage	1GB DDR2 RAM/ 1GB SSD SLC type
DVI	1 x internal (to LCD 19inch 4:3 display)
VGA	1 x external
PS/2	1 x (2 with optional splitter cable)
Serial	1 x
Parallel	0 x
USB 2.0	5 x (rear 3x, side 2x)
LAN	1 x 10/100/1000 Base-T Fast Ethernet RJ45
WLAN	optional internal 802.11 b/g Wifi
Resolution external	up to 2048 x 1536 x 32 bit, 75Hz
Internal monitor	1280 x 1024 x 32 bit, 75Hz
Video memory	up to 224MB
Video controller	Intel GMA950
Dual display	DVI (internal) + VGA
Audio	output: 1/8-inch mini, full 16-bit stereo Input: 1/8-inch mini, 8-bit microphone 2 x 2 Watt speakers
Dimensions/Weight	410mm (W) x 59mm (D) x 360mm (H)/ 7 kg
Feet stand	Height adjustable (optional)
VESA Bracket	optional
Touch Screen	5 wire resistive Touch Screen
Kensington lock	yes
Power	auto-sensing 100-240V AC, 50/60Hz external
Power consumption	max 38 Watt fully operational, Idle 3 Watt
Operational Temperature	0°C-40°C
Relative Humidity	20% to 80% non-condensing
Regulatory Compliance	CE/FCC/VCCI/EN60601-1-2:2001 + A1:2006/EN61000
Operating System	Linux NLX8, XPembedded, Windows Embedded Standard 7
Management	ADMS (Athena Device Management Suite)
Connectivity	Microsoft vSphere, Citrix XenApp, VMware VMview, Quest, Ulteo, DEC/IBM Text Terminals
